Copy of letter No.35504/A.G.17(c)/, dated~~x~~ Delhi, the 7th January 1943, from the Government of India, Defence Department, to all Chief Secretaries (except Bombay and the Punjab); the Home Secretary to the Government of Bombay; all Chief Commissioners.

Wounded soldiers discharged from the service.

I am directed to say that from correspondence received it is apparent that at ports of disembarkation and in most military stations good arrangements exist for the reception and entertainment of soldiers returning from overseas.

2. In due course, however, these men disperse to their villages, and if they are not to fall a prey to subversive propaganda it is most desirable that every effort should be made to keep in touch with them and to help them so far as possible. This is particularly important in the case of wounded men.

3. India Army Order No.2716/42 of which a copy is enclosed provides that particulars of men discharged or transferred to the reserve should be forwarded to authorities in touch with the men's home districts. The Government of India would be grateful if you would bring this to the notice of district officers and ask them to co-operate in doing all that is possible for such men.
